{Intro}

*Well, I was humpin' my bluey on the dusty Oodnadatta road
When along came a semi with a high and canvas-covered load
(Spoken) "If you're goin' to Oodnadatta, mate, um, with me you can ride."
So I climbed in the cabin and I settled down inside
He asked me if I'd seen a road with so much dust and sand
I said "Listen, mate, I've travelled ev'ry road in this here land."*

**Well, I was queuing airport security
for another work flight
When along come a newbie
with no-fly contraband in plain sight
"If you're goin' to the business lounge, mate,
um, can I tag along."
So I nodded, then watched them
do all the screening steps wrong
They asked me if I knew the codes
for airports round these parts
I said listen, mate,
I know all of the jargon off by heart**

02

[Chorus]

~~Cos "I've been everywhere, man
I've been everywhere, man
'Cross the deserts bare, man;
I've breathed the mountain air, man
Of travel I've had my share, man
I've been ev'rywhere~~

**'Cause I've worked everywhere, man
I've worked everywhere, man
No industry's spared, man
From top to bottom roles, man
Of jargon I've heard my share, man
