~~Just got home from Illinois, lock the front door, oh boy
Got to sit down, take a rest on the porch
Imagination sets in, pretty soon I'm singin'
Doot, doot, doo, lookin' out my back door~~

**Just got into the office,
got my coffee, oh boy
Didn't get to sit down,
or put my bag at my desk
Management runs in,
pretty soon I'm workin'
Doot, doot, doo,
lookin' out for our risks**

02

~~There's a giant doin' cartwheels, a statue wearin' high heels
Look at all the happy creatures dancin' on the lawn
Dinosaur Victrola, listenin' to Buck Owens
Doot, doot, doo, lookin' out my back door~~

**I pull out the risk register,
we've planned for this disaster
I start to implement all the
controls we agreed
I'm calm is a crisis
'cause I've put the work in
Doot, doot, doo,
lookin' out for our risks**

03

~~Tambourines and elephants are playin' in the band
Won't you take a ride on the flyin' spoon? Doot, doo doo
Wondrous apparition, provided by magician
Doot, doot, doo, lookin' out my back door~~

**We found risks to objectives,
likelihood, consequence
risk treatment, monitor, and
review. Reporting too.
Treat high risks with controls,
actions for those involved
Doot, doot, doo,
lookin' out for our risks**

is one key to success.
Not delinked from goals or a
